**ST. JOSEPH**  
Catholic Elementary School

St. Joseph Catholic Elementary School is located in the heart of Kelowna. Serving children and their families from our Kelowna parishes, we are an independent school that follows our Roman Catholic traditions. Our school creates a Christian atmosphere that nurtures each student. All students in Kindergarten through Grade Seven are supported while they grow and develop to the best of their potential.

- \* As a Catholic community, religious instruction is integrated into the daily curriculum.
- \* Our students are encouraged and supported to develop a strong work ethic as he/she becomes confident, independent learners.
- \* Involvement in all aspects of the school, our parish and our local community is encouraged.
- \* Our teachers form a dedicated faculty who care immensely about providing a Catholic education to our young people.

At SJS, we provide opportunities that enable students to learn about the world around them, to learn about their relationships with others, and in this process, to learn about themselves. St. Joseph Catholic Elementary School is truly a unique school that fosters the development of the total child in spirit, mind and body.
