DRAMATIZED STATIONS OF THE CROSS

DRAMATIZED STATIONS OF THE CROSS

FRIDAY APRIL 8th 7:00pm @ Saint Charles
Garnier Parish

"We Were There" – is a spectacular Drama-
tized Version of John Paul II's way of the
cross. The Fourteen stations begin in the Gar-
den of Gethsemane and conclude with Jesus

burial. The Various stations include characters that either ac-
cept or reject Christ. In encountering the cross, people have
always been confronted with the choice of either becoming
Christ's disciples or his executioners. Using John Paul II's
scriptural stations, **"We Were There"** portrays scriptural char-
acters that confront us like a mirror: are we followers of Jesus
or his executioners? Through our sins we all share some re-
sponsibility for the Death of Jesus, The Lamb of God who takes
away the sins of the world.

Young and Old alike will benefit from participating in these
unique Stations of the Cross.

Please bring an appetizer to share at the social following the
Stations.

This is a great opportunity to invite those who might be search-
ing for Christ to participate in one of our church community
activities. Bring a friend, bring your family.

For more info call Holly @ 250 764-9406.

There are many post-abortive women in our churches who live in silent torment. They are slowly self-destructing. They believe that if their friends knew what they had done, they would reject and condemn them. We must reach out in truth, love and mercy, and bring the good news of Christ’s forgiveness and healing to these hurting women.

BUILDING A WORLD OF JUSTICE

Fourth Sunday of Lent, April 3, 2011

Building a World of Justice

To live in peace is the goal of all people, and building peace is an integral part of the mission of DEVELOPMENT AND PEACE. Bishop Richard Grecco of Charlottetown shared his reflections after a trip to the Middle East with DEVELOPMENT AND PEACE:

“The Middle East is the place above all where peace needs to be celebrated, because it is the birthplace of Judaism and Christianity and the centre of the Muslim faith. Peace in the Middle East would have a global impact.”

“As I offered Eucharist in the Church of the Holy Sepulchre in Jerusalem, the force of the Prayer for Peace and the Sign of Peace before Holy Communion struck me deeply and emotionally. Development and Peace is about peace-building as much as it is about development, especially in the Middle East.”

Freedom is a Powerful Word

The world says freedom is the ability to do what we want, whenever we want, with whomever we want. But has this led to strong relationships, strong families, or strong communities? Since the days of the "sexual revolution," the opposite has played out resulting in sexual chaos, exploitation, broken families, and a lot of pain.

Recognizing the world's confusion, **Pope John Paul II** proclaimed the **Theology of the Body**—a profound message of love and human sexuality. In it, he declared that authentic *freedom* is meant to lead to authentic *love*.

Freedom to Love is a powerful, five-part DVD study based on the Theology of the Body presented by popular author and expert Christopher West. In it he lays out a convincing and refreshing road map to living a life of authentic freedom and love.

In this study, you will learn:

- What the Theology of the Body is and how it can change your life.
- How to live a life of freedom.
- What real love looks like.
- The difference between love and lust.
- What the problem is with pornography.
- That God has a glorious plan for your future.
...and much more.

The concepts in this study will change everything, including your worldview.

GUARDIANS OF GOD'S CREATION

LENT 2011 - WEEK 4

Upon reflection on the readings for this 4th Sunday of Lent the call to "awake" and "rise" in Ephesians really rings true with the mission of our ministry :

EDUCATE - INSPIRE - PROMOTE

responsible stewardship of God's Creation .

In the Gospel of John, the healing of the "blind" man by Jesus is also very inspiring to us because our message of choosing **LIFE - all life**, and care for **God's creation in all its manifestations**, making sacrifices to a life of plenty in order to conserve energy; **RETHINKING** our needs before buying - taking into consideration the working/living conditions of the workers, especially those exploited by the big corporations that sell us bad food and cheap products; resisting the temptation of **conspicuous consumption**, this is a message also met with doubts and opposition. It can be disheartening especially when one sees so much social injustice, suffering and degradation of the environment driven by the thirst for power and material wealth. But, we are reminded of Paul's words to Timothy, "Fight the good fight of faith."

Tim 6:12

"For everything created by God is good, and nothing is to be rejected, provided it is received with thanksgiving." Tim 4:4

It is in this spirit of not "growing weary" and fighting "the fight of faith" that we invite you to join us on

Apr 15 @ 7pm for the devotional service Stations of the Cross - On the path of Ecological Conversion.

This service is inspired by the writings of John Paul II and adapted from the original written by Fr. Jacek, OFM. We would like to acknowledge and thank our Franciscan brothers and sisters from FAN - Franciscan Network for kindly facilitating access to their Lent 2011 resources - **CRUCIFIED CREATION** www.franciscanaction.org

God's Green ministry is still in need of your contributions of Easter Lilies or money to purchase them. We encourage anyone willing to donate to buy at Rick's Garden. These will be available from Apr 15-20. Pre-paid plants will be kept at the Garden Centre until pick up time. Any help will be greatly appreciated. God bless!
