We here in Kelowna handle only dry goods such as children's stuffies, clothing, and linens. A volunteer picks up soap, shampoo, linens from local hotels which is much valued by the those who must live in poverty.

The St. Joseph Project

839 Sutherland Ave. Kelowna, BC

April 2015 UPDATE

After more than 80 years of service, our educational campus has aged beyond repair. As a faith community, we are obligated to do something to maintain a strong, vibrant & physically viable Catholic educational alternative in the city of Kelowna. Many have been working behind the scenes to make this a reality.

On Wednesday, March 11, 2015 Bishop John & The Task Force on Development presented to almost 150 parishioners, parents, teachers & administrators who had all gathered to learn more about this challenge and how far it had progressed. The message was simple: the time for a brand-new, fully revitalized St. Joseph school has finally come!

The plan is set

Recognizing that the main school bldg. (Doyle Hall, the one with the large gym) is structurally sound, the re-development plan includes a top-to-bottom re-do (incl. HVAC, electrical, flooring, windows, plumbing, admin office & more) as well as the brand new construction of 12 classrooms & 4 washrooms in an addition featuring a custom-built, adjoining hallway/breezeway, entrance & courtyard.

All decommissioned buildings will subsequently be removed while the parking lot configuration will be upgraded with new paving, landscaping & trees. Talks are also underway with the City of Kelowna re: traffic flow & lane issues. Additionally, discussions are already in process to ensure the Clubhouse Daycare remains open & on-site. This total renewal of our school is as comprehensive as it is exciting, pointing towards a very bright future for our St. Joseph Elementary School.

The cost is clear

The projected cost for the entire project has been set at \$4.8 million. This includes the renewal of Doyle Hall for \$1.6 million, the new structural addition for \$2.4 million plus approx. \$800,000 for all old-building demolition, any new landscaping, paving & a 15% contingency.

\$4.8 million goal

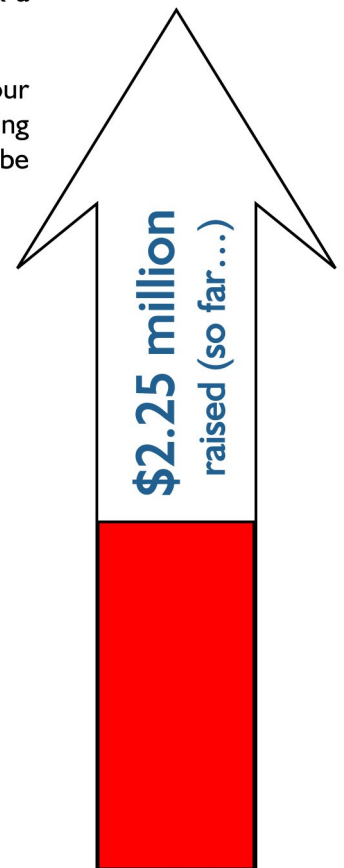

To jumpstart this project, Bishop John has worked with our schools, local parishes & even the Nelson diocese as a whole to guarantee \$2 million of funding towards our project over the next five years, leaving only \$2.8 million of the \$4.8 million to be raised locally. *That means 42% of our goal is already met!*

The time is NOW!

Already, leaders from our faith community are stepping up. A single parishioner personally committed \$250,000 to the St. Joe's Project at the very beginning, while another offered \$25,000 (\$5000 per year/5 years) immediately following Bishop John's presentation at the March 11 gathering. The race to meet our goal is on!

This local, Catholic legacy project has been structured to quite literally see us open the doors on a new school by September 2016 - a mere 18 months from now! But it can only happen if we secure the necessary commitments to make this broad, tangible expression of our faith a genuine reality. We must meet our goal! National polls suggest organized faith is on the decline in Canada but we know the world has never needed the good news of our Catholic faith more.

If you would like to donate to this legacy project please contact your pastor, the St. Joseph principal, Lynn Fleck, or Hal Spelliscy of the Bishop's Action Task Force at Hal.Spelliscy@raymondjames.ca. Any of them will be glad to provide whatever help or information they can offer.

Our Faith. Our Future.
