You do it! Parishes do it!

The diocese is doing it –with the **diocesan website**.

Renovating, that is...and it needs your help!

Four ways you can help:

1. If you have photos of the faith life of the People of God in your area which would be possibilities for the website, please send them to revampingthewebsite@gmail.com To lend them to be scanned, mail them to address below and they will be returned to you.
2. If you are a professional web designer and would be willing to volunteer your expertise and time to work on this project, please contact me at revampingthewebsite@gmail.com The pay may be nil, but the heavenly compensation is substantial!
3. Visit <http://sites.google.com/site/revampingdiocesanwebsite/home> to view a draft of what the diocesan website might look like and send your comments to revampingthewebsite@gmail.com
4. Gather your church organization or group into a focus group to discuss what you would want on your group's webpage(beyond a link to your own website if you have one.)

Thank you in advance for your help!
