## CFFC NEEDS VOLUNTEERS

---

Canadian Food for Children is looking for a new volunteer or two. Bert and Rosemary Lalonde have been picking up donations from thrift shops since 2002. We sorted and packed in various places with many volunteers, but now donations (which George Moxham - ANOTHER VOLUNTEER, has been picking up) are put directly into our van and delivered to Penticton whenever the van is filled, usually every second or third week. From there the work is taken over by the wonderful volunteers in Penticton, who fill containers that are shipped to Mississauga and from there, under the guidance of Dr. Simone, sent to the neediest areas in the world.

We have enjoyed doing this but age is telling us and George, to find some younger retired people who are looking to help those in need. Call us if you are thinking of using this opportunity to be of great service for the poor. [778-478-2156](tel:778-478-2156)

## FAREWELL TO KEVIN KISHOR

---

To show our appreciation to Kevin for his 12+ years of service to our parish we will be hosting a Farewell Wine & Cheese on Sunday, August 30th. It will be a casual affair. Feel free to drop in between 2:00 and 4:00 pm in the parish hall to offer him your good wishes.

---

## SAFE ENVIRONMENT COORDINATOR POSITION

---

With Kevin leaving at the end of August, one of the positions that we must fill quickly is the Safe Environment Protocol Coordinator. This is not a difficult job but it is essential for the life of the Parish. The Coordinator is the one who helps all of our volunteers to qualify for a position of service in our community by properly navigating the Diocesan Policies that have been established to assure, to the best of our ability, the safety of vulnerable people that we seek to serve. Every volunteer needs a Police background check and they need to be trained in the art of managing our relationships in a modern world so that every person, including the volunteer, is safe as we all attempt to build up God's kingdom here at St. Charles Garnier Parish. The position is important but it is not time consuming. Most volunteers have already been successfully processed. Marilee, our office manager, is well versed in the Protocol and can explain the responsibilities of the Safe Environment Coordinator for anyone who would like to know more about this important position.
