DIOCESAN FAITH FORMATION CONFERENCE

Ecology & the Christian Spirit ~ Where Nature and the Sacred Meet

August 29 to August 31, 2011—Naramata Centre

The topic addresses education to appreciate creation and see how it fits into any religious education program. Our young people today are being educated in the fragility of our earth as we exploit its resources and how that has created poverty not only of the earth but also of millions of people. So where does faith come in? The workshop with Maureen Wild SC will awaken in participants an appreciation of the sacredness of the earth and how religious education can provide moments not only of education but also celebration of the gift of creation. Registration forms available in the foyer.
