DEVELOPMENT & PEACE

Today's reading contains one of God's most challenging commandments – to love your neighbour as you love yourself. By supporting our brothers and sisters around the world, we show love and solidarity through our actions. In the Philippines, Development and Peace – Caritas Canada has helped to form the Community of Yolanda Survivors and Partners, an alliance of 172 local organizations who are seeking active citizen participation in the reconstruction efforts following Typhoon Haiyan. The CYSP protected 10,000 already marginalized families who were threatened by displacement due to the construction of a government-sponsored tide barrier project. This was made possible in part to the \$243,758.54 raised by the Diocese of Nelson for the Philippines. For more information on reconstruction efforts, please visit <https://www.dev.org/en/emergencies/philippines>

MOVIE NIGHT

Our next movie night with Fr. Ron Dechant, OMI will be on **Monday**, February 27th @ 7:00 pm. The film is entitled **"A Time for Miracles"**. In 1975, Elizabeth Bayley Seton was canonized as America's first native born Roman Catholic Saint. Her story is inspiring; born in 1774 of a very distinguished family, Elizabeth seemed destined for a tranquil life. At age 19, she married William Seton and bore him five children. William died and she then learned that her family fortune was lost. She converted to Catholicism at a time when Catholics were the object of persecution in the United States. Her family, even her own children, were shocked by her decision, but she persisted. Through a friend Elizabeth met Bishop Carroll who gave her the mandate to found the American Sisters of Charity and the first American Catholic parochial school. Until the end of her life, she championed education for women of all faiths, and her order also establish orphanages and hospitals.

"We are in the process of being changed and we have not arrived yet. There is continual change as we allow God to be our one and only source. You don't have to be mad at yourself that you are not what you ought to be yet. The more guilt and condemnation you drag around with yourself the less likely you are to keep changing. Your future has no room for the regrets of your past. -JM
