Development and Peace – Share Lent – Youth

We approach the Lenten season as a time to come closer to God through prayer, fasting and almsgiving. As a people of faith we invite others in our parish, our schools and our community to join us in opening our hearts in solidarity with our sisters and brothers in the Global South and to take action together to build a better world. This year's topic is "Create a climate of Change" inspired by our Holy Father Pope Francis encyclical on the environment. Pope Francis calls us to Hope. He reminds us that both of these things are important, compassion for our neighbours and for those in the Global South living on the margins through our own actions our living Earth which so generously provides us with what we need for life.
