### *Rachel's Corner*

If a history of sexual abuse has existed before an abortion, the woman may experience the abortion itself as simply a further continuation of the violations of self that have gone before. After the abortion, just as after episodes of sexual abuse, she must be prepared to hide her shame, guilt, despair and grief behind a painted mask of normalcy. We can help. Healing and hope are awaiting you on a Rachel's Vineyard Retreat™.

We thank all who have contributed to date and encourage all parishioners to participate in this program which is vital to our Diocese and Parish. If so, Come and See what the 'Little Flowers of Saint Francis' is all about. *God may be calling you on an intimate journey with Him through the **Secular Franciscan Order** inquiry stage.*

## SEXUAL ABUSE POLICY FOR NELSON DIOCESE

---

Our Diocesan Sexual Abuse Policy which has been in effect since 1990 has been updated with consequences for all those involved in Ministry to children, youth and vulnerable adults. All people who are involved in: **Religious Education, Children's Liturgy, Youth Ministry, Hospital Visitation, Ministry to Senior's Homes and Shuttles**—will be required to meet the requirements of the new policy and be instructed in it. Information meetings will be held Saturday, January 22, 2011 at 10:00 a.m. and Wednesday, January 26, 2011 at 7:00 p.m.. In the meantime people are requested to pick up a copy of the policy from the Parish Office and to have studied it prior to attending the meeting. Other parishioners who are interested in reading the policy will be able to do so at the Diocesan Website which will be launching with a new address soon. As criminal record checks are now required by all listed above, it would be good to apply for them as soon as possible. Reimbursement of the expense can be received from the Parish.
