PASTOR'S MESSAGE

Community Gardens!

Community Gardens are a boon to our people. Often times I stop at the Mission Athletic Centre Community Garden during my stroll to thank the Lord for the rich vegetation and bumper crop of vegetables of all sorts. Every day people come to view their hard work bearing fruit. They had spent hours and hours to tend their plants grow. Now I see their blooming faces because they have achieved their goal of fruits & vegetables.

Our Parish Community garden is also doing well. In order to relieve my boredom, I used to sneak out for a visit with those who have opted to grow vegetables in our parish garden every now and then. The other day I met one of our Parishioners working in his field talking to the beetroot plants. He was telling the plant, 'probably it is time for me to take you home for a meal'. 'The harvest is ready' he told me smilingly when he noticed me.

Our church 'Scenic Flower Garden' adjacent to the Madonna Grotto had a Bumper Rose Flowers this year. Many of our parishioners appreciated the hard work of Romuald and Fran for tending such a wonderful flower Garden in our Church lawn. People who visit with the Madonna and who spend quality time in our yard with their family and friends gratefully remembered the fantastic skills of our gardeners.

It's a joy to see the beauty and bounty of the earth. The rich vegetation around our property gives a pleasant flavor to our life. This week's Scripture tells us a similar story about our Spiritual life too. We are reminded by Jesus that in order to produce a Bumper Spiritual Crop of grace, we need to cultivate a solid spiritual disposition (good soil) of a heart (as the earthly plants have a fertile crescent) Needless to mention about the workers.

Blessings in the Lord!
Fr.Gabriel.

COLUMBARIUM

“Where you will be remembered”

The Columbaria Garden at St Charles Garnier Church will be a resting place for the cremated remains of our parishioners and members of their families, and for members of other Kelowna Catholic parishes in the Nelson Diocese.

For centuries the highest honour that could be bestowed on an individual has been committal within a sacred place. For loved ones with a strong affiliation to our faith and our church, the assurance of a resting place on sacred ground provides personal and familial peace of mind.

St. Charles Garnier's Columbaria Garden will provide a secure, protective, enduring and peaceful place of honour for all of our loved ones.

A columbarium is a structure built from non-degrading materials with marine-grade aluminum niches, able to maintain their integrity and beauty in even the most punishing of environments. This structure is built with an exclusive ventilation system that circulates air throughout to eliminate any future problems.

The outer individual granite niche doors will open and close easily. A patented security system effectively protects the niches against forced entry and vandalism.

Each niche will be identified with a plate engraved into its granite face, to include the family name, Christian name, dates of birth and death of the deceased.

As shown on the renderings in the church entrance hall, the site for the columbaria garden will be located between the north and east side of St. Charles Garnier church. This site will initially contain one columbarium with 80 niches, with accommodation for four additional columbaria (as required). It will be landscaped with trees and shrubs, surrounded by a wrought iron fence with a locked gate.

All required certificates and licensing approvals have been received from the Provincial Consumer Protection Branch in Victoria.

Construction will be completed in July 2020, with sales to begin shortly.

COMMON PRAYER
for the 5th anniversary of
Laudato Si'

Loving God,
Creator of heaven and earth and all that is in them,
You created us in your own image and made us
stewards of all your creation.
You blessed us with the sun, water and bountiful land
so that all might be nourished.

Open our minds and touch our hearts,
so that we may attend to your gift of creation.
Help us to be conscious that our common home
belongs not only to us, but to all of your creatures and to
all future generations, and that it is our responsibility to
preserve it.
May we help each person secure the food and
resources that they need.

Be present to those in need in these trying times,
especially the poorest and those most at risk of being
left behind.
Transform our fear and feelings of isolation into hope
and fraternity so that we may experience a true
conversion of the heart.

Help us to show creative solidarity in addressing the
consequences of this global pandemic.
Make us courageous to embrace the changes that are
needed in search of the common good.
Now more than ever may we feel that we are all
interconnected and interdependent.
Enable us to listen and respond to the cry of the earth
and the cry of the poor.
May the present sufferings be the birth pangs of a more
fraternal and sustainable world.

Under the loving gaze of Mary Help of Christians, we
make this prayer through Christ our Lord.
Amen
