## DIOCESAN FAITH FORMATION CONFERENCE

---

### Ecology & the Christian Spirit ~ Where Nature and the Sacred Meet

August 29 to August 31, 2011—Naramata Centre

The topic addresses education to appreciate creation and see how it fits into any religious education program. Our young people today are being educated in the fragility of our earth as we exploit its resources and how that has created poverty not only of the earth but also of millions of people. So where does faith come in? The workshop with Maureen Wild SC will awaken in participants an appreciation of the sacredness of the earth and how religious education can provide moments not only of education but also celebration of the gift of creation. Registration forms available in the foyer.

## THE MAINE MAN

---

Some friends were on vacation in Maine, and while watching fireworks heard their small son say, "Oh, God!" The father quickly cautioned his son, "Please don't speak the Lord's name in vain." The boy nodded but obviously misheard, because he asked quietly, "Is it OK if I speak his name back in Minnesota?"

---

## GRANDMA AND GOD

---

My grandson was visiting one day when he asked, "Grandma, do you know how you and God are alike?"

I mentally polished my halo while I asked, "No, how are we alike?"

"You're both old," he replied.

---

## HOT HORSERADISH

---

A minister who was very fond of pure, hot horseradish always kept a bottle of it on his dining room table. Once, at dinner, he offered some to his guest, who took a big spoonful. The guest let out a huge gasp. When he was finally able to speak, he choked out, "I've heard many ministers preach hellfire, but you are the first one I've met who passes out a sample of it!"
