## DIOCESAN FAITH FORMATION CONFERENCE

---

### **Ecology & the Christian Spirit ~ Where Nature and the Sacred Meet**

August 29 to August 31, 2011—Naramata Centre

The topic addresses education to appreciate creation and see how it fits into any religious education program. Our young people today are being educated in the fragility of our earth as we exploit its resources and how that has created poverty not only of the earth but also of millions of people. So where does faith come in? The workshop with Maureen Wild SC will awaken in participants an appreciation of the sacredness of the earth and how religious education can provide moments not only of education but also celebration of the gift of creation. Registration forms available in the foyer.

## OUR LADY OF GUADALUPE SILVER ROSE PROGRAM

---

**One Life, One Rose—Our Lady of Guadalupe Silver Rose Program**  
The Knights of Columbus are delighted and honored to host Our Lady of Guadalupe Silver Rose Program.

As Catholics, we are called to be a people of life and a people for life. The challenge before us is to teach the world that the life of each human being, unique and unrepeatable, begins at the moment of conception and ends by natural death. To accomplish this we turn to the Blessed Mother, through whom the Word was made flesh. We take this opportunity to commend ourselves to our Mother, seeking strength to proclaim the gospel of life, until respect for the sanctity of human life is restored throughout the world.

We encourage all Catholic people to participate in the following programs on July 7 and 8:

**Our Lady of Lourdes** Parish in West Kelowna, Mass and Prayer Service at 7 PM on July 7.

**St. Pius X** Parish, Mass and Prayer Service on July 8, at 9 AM.

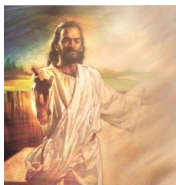

**St. Charles Garnier**, Outdoor Prayer Service, at the Blessed Mother's Grotto....Noon July 8.

It has been brought to our attention that the **Marian Garden** exhibits some disrepair due to the neglect of our ministry. We take this opportunity to inform everyone that the Marian Garden does not belong or is the responsibility of any particular ministry or individual in our parish. This garden along with the grotto were designed in praise of Mother Mary and with the objective of giving everyone an opportunity to spend quiet time in nature - **God's creation**, praying and listening to our Heavenly Mother.

It is a reality that only 3 people have taken on the care of this garden. At the moment, these include 2 members of our Ministry. The third is an ANGEL - a loving and caring soul who does not waste God's time on idle words. She saw the need and offers her free time to Mother Mary. Yes, the garden seems a bit neglected for the work is "plentiful, but the workers are few". Anyone who may hear the call to lend a hand may do it on their own time. Those of us who have taken on this responsibility do just that. So, anyone who hears the call and knows his/her way around WEEDS is encouraged to spend a little time with Mary in her garden. A very good friend suggested that we **pray the rosary** while working in Mary's Garden. What a beautiful gift to Mother Mary! Again, anyone is welcome to visit Mary's garden and pray the rosary while pulling out some "pesky" weeds. Bring your own tools. You may take the organic waste home to your own compost bin or you may dispose of it in the St. Vincent de Paul garden compost bin by Bishop John's house. Spend an hour with Mother Mary. It's a very good thing!

**"Think of us in this way, as servants of Christ  
and stewards of God's mysteries."** 1 Cor 4:1
