CROSSROADS WALK

Volunteers from Crossroads, a national collegiate pro-life organization that sponsors a pro-life walk across Canada each summer, will be visiting the parish the weekend of May 31 & June 1 and speaking briefly at the end of all the weekend Masses.

Crossroads was started in 1995 in response to Pope St. John Paul II's words at World Youth Day in 1993 when he challenged the youth of the World to "be not afraid to take the gospel of Life to the streets like the first Apostles." Taking the Holy Father's challenge literally for past 19 years, students from colleges and universities across North America have been walking the highways and byways of Canada and the U.S. each summer and working to help build a Culture of Life. Their mission as they walk is to take the pro-life message to the streets through their prayerful and peaceful pro-life witness.

This summer, volunteer college students will be walking thousands of kilometers with Crossroads on their four simultaneous Summer 2014 pro-life walks. The walks started in Vancouver, Seattle, San Francisco and Los Angeles on May 24th and will end with simultaneous pro-life rallies in Ottawa and Washington, DC on August 16.

If you would more information about Crossroads or would like to support their efforts please visit www.crossroadswalk.org - Thank you.

Rachel's Corner

A woman's mental picture of "mother" is determined first of all by her own mother. Her perception of her mother will attach meanings to her own sense of herself as a maternal person. In many cases, the choice to abort is subconsciously driven by a need to act out mother-daughter conflicts.

Forbidden Grief by Theresa Burke, Ph.D. & David Reardon, Ph.D.

We can help you find your true sense of self through a Rachel's Vineyard™ Retreat. Give yourself that gift from God.
