PASTOR'S MESSAGE

In looking back on the year that was, St. Charles Garnier Parish ended the year with a \$36,121.32 deficit. The deficit was smaller than expected since it includes \$50,000.00 spent from reserves on Charitable Giving, \$39,000.00 on the initial payment for rectory renovations (to create a secondary suite for a retired priest) and \$17,000.00 on parking lot lighting. By the end of the year we still posted a healthy balance of \$647,126.44 from both operating and capital reserves.

Most of this money is the result of bequests and the selling of the space we had bought at the Catholic Pastoral Centre (\$285,000.00). This year we will again dip into those reserves to complete the rectory renovations (\$80,000.00), start our columbarium project (initial investment \$95,000.00) and to replace an ailing HVAC unit (\$60,000.00). Both of the first two projects will create a revenue stream well into the future but will put a dent into reserves in the short term. A long term capital budget is being developed, which will include the replacement of the rectory windows, siding, the resurfacing of the parking lot and other such projects. We foresee a gradual reduction of reserves over the coming few years in order to address the projects that need addressing.

Our Parish Pastoral Council also doesn't want to forget our commitment to the Mission of the Church towards the poor and marginalized in our community. Larger donations do have to have the secondary approval of the diocese (to make sure that a parish doesn't overextend itself). This approval can only be received once we have shown our due diligence in regards to detailed capital budget. We will hold off on any large scale donations from reserves until such time as a detailed capital budget is in place. We are always open to smaller proposals in so far as our operating budget allows for them.

Fraternally in Christ,

Fr. Bart

Retrouvaille is a marriage program for couples whose marriage has become off course. It begins with a weekend program that can help get your relationship back on track. It is an effective program that has worked for thousands of couples and it can work for your marriage. GRIEF TO GRACE—There is help ...

If you have suffered abuse, you may have lived in great isolation and loneliness. You may be keeping shameful secrets. You may be afraid of being judged as unworthy or bad. You may have been called terrible names and have come to believe these as true. But these are not the truth. The truth is that something terrible happened to you and, because of a noble spirit, you have survived. The truth is that you are a child of God, "fearfully and wonderfully made" (Psalm 139). We want you to recover your unique beauty and worth, hidden by something terrible, but now ready to be claimed – the real you.

Please contact us in complete confidence to learn more. We understand it can be difficult to talk about what has happened and that interested individuals may be a long way from deciding to attend a retreat.

Grief to Grace-Reclaiming the Gift of Human Dignity - is a spiritual journey for anyone who has suffered degradation or violation through sexual/psychological abuse, rape, incest, physical or emotional abuse & neglect or other forms of traumatic violation in childhood, adolescence, or as an adult.

Applications are now being accepted for the next Grief to Grace program in Kelowna, May 2-5, 2019.

To register or more information call 250-878-7603 or email g2gkelowna@gmail.com or griefftograce.org

Jesus feeds us with his own Body, the Eucharist, at Mass, but sin is like a parasite, robbing us of the nourishment which makes us strong. The Sacrament of Reconciliation not only washes us clean of past sins, but restores our strength to do better next time.

Has it been a long time since your last confession? Priests will tell you there is great joy in helping lost Catholics return to the heart of our Father through confession. After all, priests offer their *entire lives* to bring us closer to God through the sacraments!

But confession makes me **uncomfortable!** So does the dentist. Still going? As you speak to the priest, remember the peace and help of the Holy Spirit is with you. Celebrate as a family to help your children form habits which will benefit them their whole life.

Remember, if you bring your contrition, the priest will be so happy to help you with the rest.

Gospel of Luke

Read the rest
Luke 15:11-32

"There was a man who had two sons. The younger of them said to his father, 'Father give me the share of the property that will belong to me.' So the father divided his property between them. A few days later the younger son gathered all he had and travelled to a distant country, and there he squandered his property in dissolute living.

"When he had spent everything, a severe famine took place throughout that country, and he began to be in need. So he went and hired himself out to one of the citizens of that country, who sent him to his fields to feed the pigs. The young man would gladly have filled himself with the pods that the pigs were eating; and no one gave him anything.

"But when he came to himself he said, 'How many of my father's hired hands have bread enough to spare, but here I am dying of hunger! I will get up and go to my father, and I will say to him, "Father, I have sinned against heaven and before you; I am no longer worthy to be called your son; treat me like one of your hired hands."'

"So he set off and went to his father. But while he was still far off, his father saw him and was filled with compassion; he ran and put his arms around him and kissed him.

The first act of the Sacrament of Reconciliation happens before I am anywhere near the confessional.

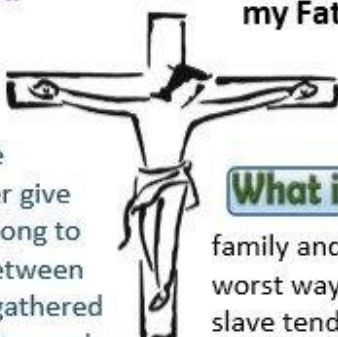

In the quiet of my heart, I ask:
What have I put in the place which belongs only to God? Am I moving towards God or away from him?

Reconciliation begins with return, a return to the heart of the Father.

In the Father's heart, we can see things for what they are. Do I find joy in God's blessings or abuse his gifts for disordered pleasure which harms and cannot last?

Reconciliation begins with **CONTRITION**; sincere sorrow for the sin which has harmed me and others. Because I am part of the One Body, my sin injures the Church and the good she offers to the whole world.

When I have sorrow, I have hope, because my Father is running to embrace me before I have even arrived.

What is Jesus telling me?

A young man has insulted his family and squandered his inheritance in the worst way. He has hit muck bottom, a starving slave tending to pigs, the most despicable animal prohibited to Jews.

He has sinned against his father, his family, his faith and community in the worst way. His situation could easily have been considered hopeless, his exile permanent.

So how does this amazing reconciliation take place? Jesus says the young man "came to himself". He considered just where he was, and recognized he needed to be somewhere else!

Like our heavenly Father, this father is full of joy when his child chooses to turn back. Not even waiting for the son to arrive, he runs outside to embrace him and, hearing his son's confession, immediately restores him as family.

Am I on the road to my Father right now or heading for a hungry, filthy home with the pigs?

If I need to change direction, do I need to do this on my own?

Prayer before Reconciliation

Come, **Holy Spirit**, into my soul. Enlighten my mind that I may know the sins I ought to confess, and grant me the grace to confess them fully, humbly, and with a contrite heart. Help me to firmly resolve not to commit them again.

O **Blessed Virgin**, Mother of my Redeemer, mirror of innocence and sanctity and refuge of penitent sinners, intercede for me that I may obtain the grace to make a good confession.

All you blessed **Angels and Saints of God**, pray for me, a sinner, that I may repent from my sinful ways and that I may be forever united with you. Amen.

Share the journey with the Rohingyas of Myanmar.

Facing persecution and violence, 723,000 Rohingyas have fled Myanmar since August 2017 and taken refuge across the border, in neighbouring Bangladesh. Development and Peace's long-time partner Caritas Bangladesh is working hard to restore some dignity to these people who

simply yearn to live in peace. Thanks to your donations, Caritas Bangladesh has been able to provide temporary shelters, access to clean water, safe latrines and showers for women and girls, and hygiene kits, and to raise awareness among refugees about safety issues.

Your generosity makes a difference in the lives of the Rohingyas! Donate on Solidarity Sunday (April 7th) or online at devp.org/give

DEVELOPMENT AND PEACE INVITES YOU TO THE SCREENING OF:
After the Storm: Building the Pope Francis Village
Wednesday, March 27 at 6:00 pm. Soup and a bun followed by the movie at ICC PARISH HALL.

This 47-minute documentary is an inspiring journey that follows poor coastal communities in the Philippines who lost everything to Super Typhoon Haiyan. When local organizations supported by Development and Peace –Caritas Canada arrive to work alongside these communities, they are confronted by survivors who are dispossessed, living in tents, dependent on aid, and facing eviction from the land they have always known. But what happens when you bring the people together? When they are given a voice and a chance to be heard? When they know how to take action? Join us and be inspired by the resiliency of the families who built the new village

EATING SIMPLY THIS LENT

During Lent, we strive to live as Christ taught us, loving our neighbors as ourselves. Adding a plant-based meal to our tables is a thoughtful way to bring that reflection and commitment into our home lives. Many people are surprised to discover that limiting the meat on our plates is a crucial way to reduce deforestation in the Amazon, protecting vulnerable people and communities.

As Catholics, we choose plant-based meals every Friday during Lent. We invite you to expand your choice to one additional day this Lenten season, or strive to eat all plant-based meals during Lent.
