## CHEW ON THIS!

---

Vincentians across Canada want to make you aware that October 17 is the International Day for the Eradication of Poverty. In a country as wealthy as ours, 4.9 million Canadians, of 1 in 7 still struggle to make ends meet: to pay rent, feed their children, and address basic needs.

On October 15/16 we will be at the back of the church with a gift bag for you and to urge you to sign a card to lobby the federal government to establish a Federal Anti-Poverty Plan. Charity is helping people survive right now, but it doesn't address poverty's root causes. It is time for the Federal Government to step up and take responsibility for our country's impoverished people.

## YOUNG ADULTS!

---

Young Adult Group in Kelowna

If you are a Catholic Young Adult working or studying (at ANY post-secondary institution) in Kelowna and have been looking for support and connections with other young Catholics, consider becoming a part of a city-wide group called FOCUS. This "College and Career" group invites you to meet with them for a monthly Mass, enjoy outdoor activities (e.g. hikes and snowshoeing expeditions), games nights, movie nights and an overall good time. With guidance from our chaplain, Fr. Ron Dechant, this is an opportunity to grow in your faith and hang out with like-minded young adults in a time when the secular world tries to convince you that your childhood faith is no longer relevant.

Here is what FOCUS president and 2nd year human kinetics student, Gabrielle Raymond, has to say about her experience:

"When I started my first year at UBCO, I was feeling pretty confident in my faith. I'd grown up in a very supportive environment, surrounded by friends, family and a solid faith community. I'd gone to all of the talks, camps and conferences, and I was passionate about Jesus. University is a totally different game, though. For the first time, I was forced to decide whether or not I was willing to stick to my faith, even when I had questions and others around me looked when I made the sign of the cross before a meal.

Finding a group of people my age that shared my faith has been so important. Even if it's just to meet up for a coffee on campus and talk about life!

If you're a young adult in Kelowna (or know one) and you'd like to join us ... contact us at [ubco.focus@gmail.com](mailto:ubco.focus@gmail.com)."

## Rachel's Corner

"On this retreat I learned that wanting to die does not honor my son and that not only am I hurting myself, I am hurting those around me as well as his memory. I want to live. I want to learn to stop the things that I was doing to try to die. My son deserves more than that and he would want that for me too."
