WORLD MISSION SUNDAY BACKGROUNDER

- The Church is missionary by her very nature. (Redemptoris Missio 5) every one of us has the duty to “proclaim to all peoples.” (RM 3)
- Even as the way of “doing mission” evolves, the responsibility to share witness to the Gospel remains.
- The Popes since 1926 have mandated our participation in and support of Mission Sunday through prayer and with our material offerings on World Mission.
- The collection taken up **everywhere** in the world on this day is **given in its totality** to the support of Churches in the developing world.
- The support is **universal**, not just for one mission but for all missions.,
- This year the Society for the Propagation of the Faith will help support the ordinary pastoral work and pastoral projects in about 1100 dioceses or territories. Many of these are in some of the poorest countries in the world and depend heavily on our support.
- Even the poorest countries take up collections to give what they can materially. More importantly they give their prayers and a depth of spirituality tat enrich all of us.
- What are the principal works the collection is for?
 - To train and support catechists (There are about 1.6 million mission catechists)
 - To provide education through schools, colleges, universities, some seminaries
 - To build rural health clinics
 - To support specific diocesan pastoral projects
 - To use mass media for evangelization
 - To provide emergency aid to refugees and aid to disaster areas
 - To safeguard the livelihood of missionaries and local clergy
 - To train local religious
 - To establish new religious houses
 - To open new missions and to establish new dioceses
 - To assist people of poor communities to build decent structures for prayer and community meetings.
