## FALL BACK!

Daylight Savings  
Time ends **next**  
Sunday,  
November 2nd.

## DEVELOPMENT & PEACE

In 2013 the Government of Columbia passed Law 970 making it illegal for farmers to save and use their own seeds, this being a condition of a free trade agreement with the United States. The law allowed the government to seize and destroy peasant seeds. Development & Peace partners organized months of demonstrations and now there is a moratorium on the law. Other countries face a similar risk.
