## ENCYCLICAL ON THE CARE OF CREATION #7

---

In his recent encyclical on caring for all creation, Pope Francis highlights overconsumption and excessive economic development as the primary causes of the destruction of our common home. With him, let us pray to “discover the worth in each thing” and to embody that discovery by buying less and recycling our possessions when we no longer need them.

## OZANAM HOUSE FUNDRAISER

---

Stella Majic, a valued and long-serving board member of Ozanam Recovery House, has recently retired from her teaching position at St. Joseph Elementary School in Kelowna, BC. To kick off this new stage in life, Stella will be making a pilgrimage to Santiago de Compostela ("The Way of Saint James") from September to November 2015.

Not for the faint of heart, this is an 800 kilometer trek from the south of France, over the Pyrenees, into northern Spain, then westward to Santiago to the shrine of the apostle St. James the Great in the Cathedral of Santiago de Compostella in Galicia, Spain, where the remains of the saint are buried. This pilgrimage route is one of many caminos in Europe and is over 1300 years old.

People have different reasons for making this pilgrimage, some spiritual and some personal. Stella has designated her pilgrimage a fundraiser for the residents of [Ozanam Recovery House](#). We thank Stella for her many years of service, her kind heart and her adventurous spirit!

Please donate today to show your support for Stella and the work of [Ozanam Recovery House](#).

The fundraising is being channeled through Canada Helps – a Canada-wide trusted organization that ensures that 96% of funds raised go directly to the cause. You can go online to make your donation and a Tax receipt will automatically be issued. <https://www.canadahelps.org/en/charities/ozanam-house/stellascamino/>
