### From the Pastor's desk

This is proving to be a busy and exciting time in the life of the parish and the Catholic Community of Kelowna. One aspect of parish life that I have allowed to go dormant though is the Parish Council. We do have a five person Personnel Committee and a Finance Committee, both of which have been a big help to me. However, I do recognize the importance of having an active and supportive Parish Council to help with deliberation, communication and the execution of our collective vision for our parish. To that end I will be reconvening the Parish Council in the immediate future. Stay
