### PASTOR'S MESSAGE

#### Pastor's Message:

I would like to thank Sr. Nancy and Sr. Phyllis for the beautiful retreat they gave last Saturday as part of our focus on the Care of the Earth during this Season of Creation. I would also like to remind all groups in our parish, and all parishioners, of the two questions we've been asking.

"What are you doing to help address the issue of climate change as a group or as an individual?" and "What are you willing to do moving forward?" Please submit your answers to the Season of Creation Committee (via our parish office) Your initiatives and ideas may be helpful for others who may still be wondering what they can do. I am pleased to announce that our parish is installing LED lighting in those areas of the building that we have not converted. Money saved over time will pay for the retrofit. The Season of Creation will conclude on Sunday, October 6<sup>th</sup> with the blessing of the pets/animals at 1:00 pm. on the parish grounds. Feel free to bring your pet.

I would also like to remind everyone that beginning in October our Holy Hour for Vocations has been moved to the first Wednesday of the month 6:30-7:30 pm in the Church. Please come and pray in support of this important cause this Wednesday, October 2<sup>nd</sup>.

Lastly, I would like to remind everyone of the annual Life Chain taking place on Sunday October 6<sup>th</sup> at 2:00 pm. Starting in the Dairy Queen parking lot on Gordon and Harvey. Come and show your support for the sacredness of the human person in the womb.

Fraternally in Christ,

Fr. Bart.

"Whether believers or not, we are agreed today that the earth is essentially a shared inheritance, whose fruits are meant to benefit everyone."

Laudato Si, 93, Pope Francis

## EARTH ACTION INITIATIVE

Sponsored by WUCWO (World Union of Catholic Women's Organisations)

To all schools, service clubs, and Church organisations:

### CHOOSE ANY SATURDAY IN SEPTEMBER, 2019

**CALL TO ACTION:** In the face of the plastic and toxic waste crisis that is devastating our oceans, lakes, and rivers, all peoples of the world are called upon to eliminate any further damage to the Earth's water resources and to clean up the damage already sustained.

**1** All life is interconnected. In a similar way, all pollution is interconnected in that the majority of pollutants entering our water systems come from activities on land. Human activities along the coastlines and far inland affect the health of our oceans (National Oceanic and Atmospheric Administration - USA). As a result:

**+ 14  
BILLION**

Pounds of trash end up in oceans every year (seastewards)

**70%**

Of industrial waste is dumped into water (National Geographic)

**2 MILLION**

Tons of sewage, industrial and agricultural waste are discharged into the world's water every day (UN WWAP)

Every year, more people die from unsafe water than from all forms of violence, including war (UN - Water for life decade)

### WHAT CAN YOU DO:

- Organize a plastic and waste clean-up event at your nearest ocean beach, lakefront, or riverbank, along roadways, ditches, and in public spaces.
- Organize an event to educate the public about the plastic waste crisis.
- Advocate for better landfill practices particularly in areas subject to environmental conditions that could result in waste entering a water system.
- Advocate for the elimination of single-use plastics and the re-use and recycling of disposable plastics.
- Change your ways:
  - 1) Reduce your own use of plastic products.
  - 2) Re-use your plastic containers as often as possible.
  - 3) Recycle plastics that you can no longer use.
  - 4) Ensure that plastics are not contaminated (i.e. food waste) before recycling.

"Did you know?...our CWL ladies are joining with other Catholic women's groups around the globe to promote the care of the earth by publicizing the following poster."

## CHANGES TO PILGRIMAGE OF FAITH APPEAL

---

September 2019

To: The Faithful of the Nelson Diocese

For a number of years, the Pilgrimage of Faith Appeal has been running from October 1 to September 30<sup>th</sup>. The timing of the appeal has led to numerous challenges on many levels, especially when it comes to adhering to Revenue Canada guidelines and expectations.

A review of the timing of donations to the appeal show that the majority of donations are received during October to December. We believe that this has more to do with maximizing one's charitable tax receipts than the timing of the launch of the POF Appeal. By starting the appeal in January, many difficulties currently being experienced are removed. **Donors can still donate at any time during the year at a time that is convenient for them.**

**The current campaign will end on September 30<sup>th</sup>, 2019.** During the months of October – December 2019, there will be no active campaign due to the realignment of the appeal to January 2020.

For the balance of 2019, if you choose to donate during the October – December months, your donation will be gratefully accepted for the benefit of diocesan programs.

1. Cheques should be made payable to The Roman Catholic Bishop of Nelson.
2. You may also choose to donate by credit card or by e-transfer.
  - a. E-transfers through your banking platform can be sent to: [etransfer.rcb@nelsondiocese.org](mailto:etransfer.rcb@nelsondiocese.org) and the security question answer should be "appeals".
  - b. Credit card payments can be made through [www.canadahelps.org](http://www.canadahelps.org) choosing the Pilgrimage of Faith Appeal Fund.
  - c. Or you can complete the credit card portion of the donation cards available at your parish.
  - d.

Donors may alternatively give directly to their parish.

Please remember that your support is vital to the needs of the diocese and its mission to evangelize and help others to know Christ. It is hoped that you will embrace the intentions of this change and continue to support the programs of the diocese that are assisted through our Pilgrimage of Faith Appeal.

Thank you and God bless.

✠ Bishop Gregory J Bittman
