September 4, 2014

### **From the Pastor's desk**

With great joy I would like to announce that we have filled the Catechism Coordinator's position. It will be job shared by Leslie Piasentin (nee Dumontet) and her sister Carolynne Dumontet. Leslie has her Bachelor of Education degree and Carolynne is working on her Business Administration degree. They are both very excited about this new endeavor as are we. September 16th from 3pm to 5pm will be the time for registration and they will meet the teachers that evening at 7pm. You can download the registration form ahead of time from our parish website at [www.stcharlesgarnier.ca](http://www.stcharlesgarnier.ca) and bring it with you. The first day of class will be September 23, 2014. Please keep this ministry in your prayers.

As for Junior Youth Ministry, I want to encourage our parents of our junior youth to consider providing Youth Group for their kids. We have a great deal of resources in the area to help volunteer parents to make this an exciting ministry. Please let Kevin know if you would be interested in taking on this good work.

I have met with Fr. John Kennedy Santiago, OFM Cap. who is a part of the Capuchin Friary up at Seton House. Fr. Kennedy has just completed a three month intensive course on hospital chaplaincy and he is eager to help foster our visitation ministry anyway that he can. My hope is that he will help us to meet the needs of the sick and especially our seniors who are residing in our retirement facilities. Please consider volunteering for this important ministry. Fr. Kennedy is the on-call chaplain for the hospital.

I also want to update you on a couple of projects that we have been working on. I have met with some parish professionals regarding the Benvoulin side of the building. We want to refinish it with stucco but that work would need to be completed by the end of October. It doesn't seem rational to expect that we could get it done by then, so we are now planning for the spring. There is some small roofing work that we can do in the meantime as well as putting in a drainage pit. We have one quote on the job already and we are hoping to be able to keep the costs down as much as possible.

I have also asked Romuald our Maintenance Manager to get quotes to repair the window frames around the stained glass windows. There are some other jobs that we are working on that will be presented with this year's Pilgrimage of Faith.

This is a busy time in the life of the parish so please keep all of our good intentions in your prayers.

Pat Monette

### Volunteering

If you have time to offer mentoring with our guys or you would like to volunteer in our kitchen, if you have a particular trade or skill that Freedom's Door would normally have to pay for when needing renovations or repairs to our facility (IE: plumbing, electrical) and would like to donate your time, this would help us by reducing labor costs for building upkeep. To volunteer or obtain more information please call us and we would be happy to arrange a tour of the building and discuss our needs.
