## VIDA IS LEAVING FOR GHANA

---

Sadly, after spending years in Kelowna obtaining her nursing degree, masters, and finally her doctorate, Vida is returning to Ghana to teach nurses at the University at the end of this summer. Not bad for a village girl who put herself through high school by studying at home because her parents could not afford to send her. She was accepted by Okanagan College to come and study nursing here and she received scholarships and awards for her work.

She is still very involved in Project Grow (Ghana Rural Opportunities for Women) and currently has received funding from Rotary to build a clinic (now complete) in her village but now she needs help in equipping it. Another generous group in Kelowna has given her \$13,000 to ship a container home and she hopes to use the container to ship a vehicle, medical equipment and supplies and her own things.

**Vida's needs:** any medical supplies  
crutches, canes  
scissors, bandages, vitamins

Of course financial contributions are very helpful and probably the most functional. Call Keith 764-2942 for inquiries and help transporting.

Vida is extremely humbled by all the support and kindness she has received at St. Charles.

## SEARCHING? - ADULT INQUIRIES

Do you know an Adult who is searching for meaning or Faith in their life? Or someone who is Christian and specifically feeling drawn to understanding what being Catholic is all about? Lastly, even Adults who were perhaps raised Catholic but missed their Confirmation? For any of these - please encourage them to contact [kevin@stcharlesgarnier.ca](mailto:kevin@stcharlesgarnier.ca) or call weekday mornings to set up a one-on-one with me to ask questions and discuss options and how we could best serve their needs. Also, we know that everyone does not fit in the same "box" therefore, we always do our best to meet people where they are at.
