ENCYCLICAL ON THE ENVIRONMENT

On June 18, the Vatican issued *Laudato Si', Praise Be to You*, Pope Francis's encyclical on caring for creation. The phrase "praised be" is taken from a famous creation canticle by St. Francis of Assisi as he thanked God for the beauty of creation. At the core of Pope Francis's message is the idea of "integral ecology," - that how we relate to one another, especially the poor, and how we relate to the environment are intimately connected. For more on the encyclical, go to the U.S. bishops' website: <http://www.usccb.org/issues-and-action/human-life-and-dignity/environment/index.cfm> or google "US Catholic Conference of Bishops" - and click on the encyclical and then "Resources on Environmental Stewardship".
