VIDA IS LEAVING FOR GHANA

Sadly, after spending years in Kelowna obtaining her nursing degree, masters, and finally her doctorate, Vida is returning to Ghana to teach nurses at the University at the end of this summer. Not bad for a village girl who put herself through high school by studying at home because her parents could not afford to send her. She was accepted by Okanagan College to come and study nursing here and she received scholarships and awards for her work.

She is still very involved in Project Grow (Ghana Rural Opportunities for Women) and currently has received funding from Rotary to build a clinic (now complete) in her village but now she needs help in equipping it. Another generous group in Kelowna has given her \$13,000 to ship a container home and she hopes to use the container to ship a vehicle, medical equipment and supplies and her own things.

Vida's needs: any medical equipment
crutches, canes
scissors, bandages, vitamins

Of course financial contributions are very helpful and probably the most functional. Call Keith 764-2942 for inquiries and help transporting.

Vida is extremely humbled by all the support and kindness she has received at St. Charles.

GOOD VEHICLE NEEDS GOOD HOME

A vehicle obtained for Vida has turned out to not have enough ground clearance for Africa and cannot have bigger tires or be lifted in anyway—contrary to the belief otherwise. So . . . it's for sale:

- 2005 Pontiac Vibe (Made by Toyota—Toyota Matrix is same car)
- 156,000 km
- One owner, female driver
- Well maintained
- New winter tires on rims
- 1.8l engine—great gas mileage
- \$5,000 (what was paid for it)
- Call Keith 250-764-2942
