PASTOR'S MESSAGE

Bearing Fruit / Be Productive

Most often people lament as if they are not productive. Let me acknowledge that all of us are productive people because we produce results in all our actions. The Dictionary explains 'productivity as bringing a result'. The present Pandemic situation has produced the result of conditioning our life with 'social distancing, wearing masks, following protocols of all sorts especially safety & securities'.

"A good tree cannot bear bad fruit nor can a bad tree bear good fruit" (Mt 7:16) The Scripture explains that 'every good tree bears good fruit'. Since we are children of God, we are encouraged to be happy about our productivity i.e our positive contribution to the development of our human family, near and dear ones.

How often have we walked extra miles to connect with our families and friends? How often have we made a difference in our life by tolerating a hurtful neighbor or an associate in the office? In fact, bad people oftentimes stir up the pot either to pick up on us or to cause us mental or physical tight corners. How did we handle those challenging situations? Did we boil and take the law into our hands to condemn them?

'Every tree is known by its fruit" (Mt 7:17) The scripture is extending a call today to understand ourselves first as we understand the quality of the tree by its fruits. May God give us the grace to bear good and lasting fruits for His Love.

Affectionately in Jesus,

Fr.Gabriel

COLUMBARIUM

“Where you will be remembered”

The Columbaria Garden at St Charles Garnier Church will be a resting place for the cremated remains of our parishioners and members of their families, and for members of other Kelowna Catholic parishes in the Nelson Diocese.

For centuries the highest honour that could be bestowed on an individual has been committal within a sacred place. For loved ones with a strong affiliation to our faith and our church, the assurance of a resting place on sacred ground provides personal and familial peace of mind.

St. Charles Garnier's Columbaria Garden will provide a secure, protective, enduring and peaceful place of honour for all of our loved ones.

A columbarium is a structure built from non-degrading materials with marine-grade aluminum niches, able to maintain their integrity and beauty in even the most punishing of environments. This structure is built with an exclusive ventilation system that circulates air throughout to eliminate any future problems.

The outer individual granite niche doors will open and close easily. A patented security system effectively protects the niches against forced entry and vandalism.

Each niche will be identified with a plate engraved into its granite face, to include the family name, Christian name, dates of birth and death of the deceased.

As shown on the renderings in the church entrance hall, the site for the columbaria garden will be located between the north and east side of St. Charles Garnier church. This site will initially contain one columbarium with 80 niches, with accommodation for four additional columbaria (as required). It will be landscaped with trees and shrubs, surrounded by a wrought iron fence with a locked gate.

All required certificates and licensing approvals have been received from the Provincial Consumer Protection Branch in Victoria.

Construction will be completed in July 2020, with sales to begin shortly.

THE CARE OF CREATION CIRCLE

The Care of Creation Circle (CCC), St. Charles Parish, invites you to join us in planning the celebration of Season of Creation 2020 "A Jubilee for the Earth" which will be from September 1 through October 4, the feast day of St. Francis of Assisi.

There will be a planning session to which we invite all interested parishioners, July 23 at 9:30 near the St Francis statue behind the pastoral centre.

Please contact Karen Krout 250-327-4214 for more information.

Laudato Si' means "praise be to you my Lord" and is the name of the 2015 Encyclical written by Pope Francis. The title is taken from the Canticum of the Creatures where St Francis says "Praise be to you, my Lord, through our Sister, Mother Earth, who sustains and governs us and who produces various fruit with coloured flowers and herbs." Pope Francis responds in his encyclical: "This sister now cries out to us because of the harm we have inflicted on her by our irresponsible use and abuse of the goods with which God has endowed her... this is why the earth herself, burdened and laid waste, is among the most abandoned and maltreated of our poor". (Laudato Si' 2)
