PASTOR'S MESSAGE

Success in Life!

Dear Sisters and Brothers in Christ!

'Success in life in the World to-day depends on several factors' such as good education, family background, wealth or riches, influence or knowing the right people etc explain the thinkers. But the ancients believed that 'Success in Life' depended on 'Wisdom' meaning 'common sense and said which is Commonly uncommon'.

Benjamin Franklin one of the chief experts of the American Constitution said, " Success in life depends on ones Character" He was able to write, " When Wealth is lost, nothing is lost. When Health is lost, something is lost. But when Character is lost, everything is lost".

Modern world is often motivated to go after the earthly riches. The Canadian Gold Rush of the 19th Century motivated people to seek and search for Gold in the Northwest Territories & Yukon Provinces. Some historians also explain that this Gold Rush helped our Country's Immigration from foreign lands.

The Scripture to-day welcomes us to search for 'The Spiritual Treasures' that comes from the gracious words of the Almighty. The parables of Jesus this week from Mt13:44-50 extends a call to seek and find our Spiritual Treasures. Finally, Jesus concludes, "Where your treasure is, there your heart is" (Mt6:19-20) May Jesus give us this grace to seek & find Him as Solomon found the favor from God.(1Kgs3:5-15)

COLUMBARIUM

“Where you will be remembered”

The Columbaria Garden at St Charles Garnier Church will be a resting place for the cremated remains of our parishioners and members of their families, and for members of other Kelowna Catholic parishes in the Nelson Diocese.

For centuries the highest honour that could be bestowed on an individual has been committal within a sacred place. For loved ones with a strong affiliation to our faith and our church, the assurance of a resting place on sacred ground provides personal and familial peace of mind.

St. Charles Garnier's Columbaria Garden will provide a secure, protective, enduring and peaceful place of honour for all of our loved ones.

A columbarium is a structure built from non-degrading materials with marine-grade aluminum niches, able to maintain their integrity and beauty in even the most punishing of environments. This structure is built with an exclusive ventilation system that circulates air throughout to eliminate any future problems.

The outer individual granite niche doors will open and close easily. A patented security system effectively protects the niches against forced entry and vandalism.

Each niche will be identified with a plate engraved into its granite face, to include the family name, Christian name, dates of birth and death of the deceased.

As shown on the renderings in the church entrance hall, the site for the columbaria garden will be located between the north and east side of St. Charles Garnier church. This site will initially contain one columbarium with 80 niches, with accommodation for four additional columbaria (as required). It will be landscaped with trees and shrubs, surrounded by a wrought iron fence with a locked gate.

All required certificates and licensing approvals have been received from the Provincial Consumer Protection Branch in Victoria.

Construction will be completed in July 2020, with sales to begin shortly.

THE CARE OF CREATION CIRCLE

A former parishioner, Alda Berneaud-daRosa, was a passionate protector of our planet and registered St. Charles Garnier Parish with Green Churches Network (www.greenchurches.ca). "She worked tirelessly to take our church in a green direction. She removed every plastic flower and leaf from the church and never allowed anything decorative that wasn't organic. She removed the plastic table cloths and wanted to use only beeswax candles. Her goal was to make us the greenest church in B.C. I admire her to this day for her brilliance," says Brenda Korby. Let's work together to make our church green again by refusing to use plastic decor and dishes with plastic cutlery once we return to sharing meals together. In the meantime perhaps we could even install solar panels on our church and work towards becoming carbon neutral.

“People may well have a growing ecological sensitivity but it has not succeeded in changing their harmful habits of consumption which, rather than decreasing, appear to be growing all the more. A simple example is the increasing use and power of air conditioning. The markets, which immediately benefit from sales, stimulate ever greater demand. An outsider looking at our world would be amazed at such behaviour, which at times appears self-destructive.” Laudato Si’ 55

RACHEL'S VINEYARD

“I won't remember what happened with fear or tears. Now I will remember with peace, because now I know and believe they are with Jesus. I used to feel I was the only one in the whole world. I didn't want to tell anyone. Now I know I am not alone.”

Testimonial

Feeling like you are the only one and not wanting to tell anyone is something most men and women feel after their involvement in an abortion decision. Come on a Rachel's Vineyard Retreat for men and women and meet others who have been down a similar road. Give yourself the chance to be free from what is destroying you on the inside. You won't be sorry you did.
